Easy Whip

TOPPING & SWEET STARTER

CONVENIENT AND EASY-TO-USE WHIPPED ICING PRODUCT

Rich's Easy Whip is a liquid topping that is specifically developed for unparalleled handling and storage convenience with ambient shelf life, outstanding yield and unmatched stability. Any operators, whether experienced or new, will find decorating with this whipped topping comes with great ease.

Rich'n Easy Whip

PRODUCT FEATURES & BENEFITS

Colour: Off white.

Taste: Delicious creamy taste with dairy like flavour

Stability:

- Specifically formulated to withstand high temperatures and humid climates.
- Eliminates cracking so finished desserts and cakes always look their best-even after three days in the refrigerator.
- Long bench time at ambient temperature (over 1 hour at 35°C) allows more time for decorating cakes and desserts.
- Finished product iced with Rich's Easy Whip can be stored chilled, frozen for future sale or displayed at ambient temperature.
- Easy to add colouring or flavouring for your unlimited creation.

Benefits:

- Excellent yield up to 330% overrun.
- Unopened liquid product can be kept in room temperature (maximum 25°C) for 12 months.
- Convenient packaging design with a cap for better food safety and hygiene.
- Suitable for intricate cake decoration patterns.

PACK SIZE

12 x 1 litre

APPLICATIONS

- A great whipped topping for cake garnish, decoration and filling.
- Can be used on top of ice cream, fruits, mousses and other desserts as an ingredient or a decorative topping.

HANDLING INSTRUCTION

- Shake well before opening;
- Pour into a chilled bowl (liquid topping should not exceed 20% of bowl capacity);
- Mix on medium or high speed until soft peaks form and gloss disappears;
- Whipped product must be refrigerated and can be frozen.

STORAGE & SHELF LIFE

- Keep in room temperature (max 25°C): 12 months
- Keep refrigerated at temperature between 2°C - 7°C at least 12 hours before whipping for optimum performance.
- Refrigerated opened (2°C - 7°C): 3 days
- Finished product iced with Rich's Easy Whip can be stored in refrigeration or ambient conditions (below 25°C) up to 3 days.
