A WORLD OF YOUR CREATION.

With neutral flavour and smooth mouthfeel, **Icehot All Purpose Creamer Concentrate** is easily used in different applications.

All Purpose Creamer Concentrate

1 PRODUCT FEATURES & BENEFITS

Taste:

- Neutral taste with smooth mouth feel.

Benefits:

- High concentrate creamer which can be used directly or after dilution.
- Enhance the aroma of coffee/ tea without overwhelming coffee/ tea original aroma.
- Enhance the body of the finished beverage.
- Enhance the vibrant and rich color when added into soups and sauces.

2 APPLICATIONS

With neutral taste profile, **Icehot All Purpose Creamer Concentrate** can be used for more versatile applications such as flavored drinks, coffee, milk tea, smoothies, ice blended, liquid dessert, beverage foam and topping sauce.

3 STORAGE & SHELF LIFE

- Keep refrigerated at temperature between 2°C - 7°C before and after open.
- Refrigerated unopened: 12 months.
- Consume as soonest once open.

4 HANDLING INSTRUCTION

- Can be diluted as needed with 1 - 3 parts of cold water:
