Country White Cake Icing

Features & Benefits

Great Tasting

A sweet frosting and a silky texture that melts against your tongue when you bite into it.

Convenience

It's pre-whipped-no prep time or clean up required.

Applications

- It is a great way to finish off a cupcake, brownie, cookie, macaron or any baking delight of your choice.
- Colour and flavour can be added.
- Finished icing products can be frozen.

Handling

Best spreadability, Icing temperature should be kept approximately 20°C-26°C.
