

ICEHOT
BEVERAGES
BY **RICHS**

CREAMER

With neutral flavour and smooth mouthfeel, **Ice Hot Creamer** is easily used in different applications.

Choose the texture and creaminess you want in frappes, smoothies and lattes or the lightness and beauty of a decorative foam to close your creations with a golden key.

Perfect your beverage and dessert with smoothness and creaminess added to it. This product can be used as a creamer for hot and cold beverages such as coffee, tea, and smoothies. It can also be used as base ingredients for desserts such as cendol and puddings. It's good to the last drop.

CREAMER

A GOLDEN KEY FOR YOUR
SMOOTH AND CREAMY
BEVERAGE TEXTURE.
